

Get the Direction You Need for Making Compensation Decisions!

In need of insights to attract and retain employees? Wondering if you are competitive enough with your merit increases? This year Central Wisconsin SHRM has partnered with MRA - The Management Association to offer you survey data. Central Wisconsin SHRM members can participate in MRA's Compensation and Benefit Surveys **for \$250** and receive the report when it's published (**a value up to \$775!**). Rely on MRA's high quality and respected data to remain competitive.

Complete one survey or all four - Click the "**Participate Today**" button below to express your interest in participating. *Identify yourself as a CW SHRM member. Include your company name, first and last name, email address, phone number and indicate the surveys in which you would like to participate. MRA will email you immediately with the survey link(s) so you can begin your survey/s.*
