## WI SHRM Conference Registration Open

### Register Today!

The WI SHRM conference is coming up! Please visit <http://www.wishrm.org/2016-State-Conference> to register.

The conference will take place from October 5-7 at the Kalahari Resort and Convention Center in Wisconsin Dells.

### Certification Scholarship Available!

Our state council is sponsoring a brand new Certification Scholarship to be awarded by the SHRM Foundation. This scholarship, with a \$750 award, is open to SHRM national members who live or work in Wisconsin, and who are preparing to sit for the SHRM-CP or SHRM-SCP certification exam. In addition to this Wisconsin-only certification scholarship, members are also eligible for one of the other more than 225 scholarships available this year. Because of the generosity of donors and sponsors, the SHRM Foundation's annual scholarship program supports hundreds of HR professionals and students who are pursuing undergraduate and graduate degrees, SHRM certification, and professional development.

The deadline for scholarship applications is July 15 and awards will be given in mid-October. For more information, go to: [shrmfoundation.org/scholarships](http://shrmfoundation.org/scholarships). Select *SHRM Foundation Scholarship for HR Professional*, then select *Certification Scholarships*.

## STATEMENT OF SUPPORT FOR THE GUARD AND RESERVE

### *Central Wisconsin SHRM*

We recognize the Guard and Reserve are essential to the strength of our Nation and the well-being of our communities.

In the highest American tradition, the patriotic men and women of the Guard and Reserve serve voluntarily in an honorable and vital profession. They train to respond to their community and their country in time of need. They deserve the support of every segment of our society.

If these volunteer forces are to continue to serve our Nation, increased public understanding is required of the essential role of the Guard and Reserve in preserving our national security.

Therefore, we join other employers in pledging that:

- We fully recognize, honor and comply with the Uniformed Services Employment and Re-employment Rights Act (USERRA).
- We will provide our managers and supervisors with the tools they need to effectively manage those employees who serve in the Guard and Reserve.
- We appreciate the values, leadership and unique skills Service members bring to the workforce and will encourage opportunities to employ Guardsmen, Reservists, transitioning Service members and Veterans.
- We will continually recognize and support our country's Service members and their families in peace, in crisis, and in war.
